How It Works

Get started in 4 simple steps:

1

Onboard

Complete membership registration and KYC verification to ensure platform security and compliance.

2

List Products

Upload your products with detailed descriptions, images, and pricing to attract customers.

3

Sell Safely

Process orders through our secure platform with buyer protection and fraud prevention.

4

Get Paid

Receive automated weekly settlements directly to your verified bank account.

Entrepreneur Benefits

Free Trial

Start with a complete 1-month free trial to explore all features and build your business risk-free.

Network of Ambassadors

Access our dedicated ambassador network who actively promote your products to expand your reach.

Transparent Compliance

All products go through admin approval process ensuring marketplace quality and regulatory compliance.

Automated Weekly Settlements

Reliable weekly payouts processed automatically to your bank account with full transaction transparency.

Prohibited Products

The following products are strictly prohibited on our platform:

- Cryptocurrency and digital assets
- Forex trading and related services
- Gambling and betting products
- Alcohol and alcoholic beverages
- Tobacco and smoking products
- Adult content and services
- Non-Gayede financial products

Growth Potential

Earn from Direct Sales

Generate immediate revenue from customers who discover and purchase your products directly through the marketplace.

Grow Faster with Ambassador Promotions

Accelerate your growth with our ambassador network actively promoting your products to their established customer base.

Weekly Payouts via Escrow

Secure and guaranteed weekly payments through our escrow system, ensuring you get paid for every sale.

Safe & Regulated

WealthHub operates under the comprehensive compliance framework of Sanlam, one of South Africa's most trusted financial services companies. This ensures:

- Regulatory compliance with South African financial laws
- Secure handling of all financial transactions
- Transparent business practices and reporting
- Licensed and audited operations
